

ALBERTA INSURANCE COUNCIL  
(the "AIC")

In the Matter of the *Insurance Act*, R.S.A. 2000 Chapter I-3  
(the "Act")

And

In the Matter of Michael Morris  
(the "Agent")

DECISION  
OF  
The Life Insurance Council  
(the "Council")

This case involved an allegation pursuant to s. 481(2) of the Act. Specifically, it is alleged that the Agent failed or refused to provide information and documentation requested by an AIC investigator within the time specified in a Demand for Information (the "Demand"). In so doing, the Agent contravened a provision of the Act pursuant to section 480(1)(b).

### **Facts and Evidence**

This matter proceeded by way of a written Report to Council dated September 21, 2017 (the "Report"). The Report was forwarded to the Agent for review and to allow the Agent to provide the Council with any further evidence or submissions by way of Addendum. The Agent did not respond.

The Agent was the holder of Full Life and Accident & Sickness (A&S) Insurance Licenses and was licensed from August 30, 2007 until June 30, 2016. By letter dated May 12, 2017, Canada Life ("CL"), the Agent's recommending insurer, instructed the AIC to terminate the Agent's certificates of authority. This request arose as a result of an investigation that CL conducted in regard to possible incongruities around a client's signature.

On August 4, 2017, the investigator spoke with the Agent about the allegations raised by CL. The Agent advised the investigator that he intended to leave the insurance industry. Notwithstanding this, the investigator told the Agent he would be sending him a request for additional information shortly.

The Investigator emailed the Agent a request for additional information on August 8, 2017. On August 30, 2017, the investigator sent the formal Demand via registered mail to the Agent advising the Agent to respond by September 6, 2017. The Agent did not respond in accordance with the Demand.

### **Discussion**

The AIC operates under a delegation from the Minister of Treasury Board and Finance that authorizes the AIC to investigate complaints against holders and former holders (such as the Agent in this case) of insurance agent certificates of authority. Pursuant to the Minister of Finance Directive No. 05/01, the Minister also delegated his powers under s. 481 to the AIC. Section 481 states that “[t]he Minister may direct the holder or former holder of a certificate of authority to provide to the Minister within a reasonable period of time specified in the direction any information specified by the Minister relating to the matters in section 480(1).” Subsection 2 states that the “... A person served with a direction ... who has the information must provide the information in accordance with the direction.”

The offence set out in s. 481 of the Act is one of strict liability. This means that in order to be found guilty, the AIC only needs to prove that a demand for information was properly made and delivered. There is no requirement that the AIC prove that the Agent’s failure to respond was intentional. Once the AIC has proven that the demand was made, the onus shifts to the Agent to demonstrate that he took all reasonable efforts to avoid committing the offence. From the evidence in the Report, we are satisfied that the AIC’s Demand meets the requirements of s. 481 of the Act. Given the fact that the Agent failed to respond to the Report, he has not met the burden of establishing the due diligence defence and we find him guilty as alleged in the Report.

In terms of the applicable sanction, the Act requires that holders and former holders of licenses provide information when called upon to do so. Given the facts in their entirety, we order that a civil penalty in the amount of \$400.00 be levied against the Agent pursuant to s. 13(1)(b) of the *Certificate Expiry, Penalties and Fees Regulation*, A.R. 125/2001. The civil penalty must be paid within thirty (30) days of receiving this notice.

In the event that the penalty is not paid within thirty (30) days, interest will begin to accrue at the applicable prescribed rate. Pursuant to s. 482 of the Act (copy enclosed), the Agent has thirty (30) days in which to appeal this decision by filing a notice of appeal with the Office of the Superintendent of Insurance.

This Decision was made by way of a motion made and carried at a properly conducted meeting of the General Insurance Council. The motion was duly recorded in the minutes of that meeting.
