

ALBERTA INSURANCE COUNCIL
(the "AIC")

In the Matter of the *Insurance Act*, R.S.A. 2000 Chapter I-3
(the "Act")

And

In the Matter of Tamus Case
(the "Agent")

DECISION
OF
The Life Insurance Council
(the "Council")

This case involved an allegation pursuant to s. 481(2) of the Act. Specifically, it is alleged that the Agent failed or refused to provide information and documentation requested by the AIC through a Demand for Information (the "Demand"). In so doing, it is alleged that the Agent contravened a provision of the Act as contemplated in s. 480(1)(b).

Facts and Evidence

This matter proceeded by way of a written Report to Council dated January 26, 2018 (the "Report"). The Report was forwarded to the Agent for review and to allow the Agent to provide the Council with any further evidence or submissions by way of Addendum. The Agent did not respond.

In November, 2017 the AIC conducted audits to verify that the Continuing Education ("CE") credits disclosed on licensees' renewal applications were correct. The AIC randomly selected agents amongst those who renewed their certificates of authority during the latter days of the May-June renewal period. The selected agents were asked to provide proof of CE credits for the past 3 licensing periods.

The Agent is the former holder of life and accident & sickness ("A&S") certificates of authority and was licensed from August 11, 2015 to October 4, 2017. As a result of resigning from his employment, the Agent's certificates of authority were suspended on October 4, 2017.

On November 3, 2017 the AIC emailed the Demand letter to the Agent and provided him with thirty days to respond. The AIC also telephoned the Agent on November 7th, 2017 and requested that he respond to the CE audit within the 30 day period set out in the Demand. The AIC then emailed the Agent on November 20, 2017 in

response to the Agent's November 15, 2017 email inquiry as to the status of his certificates of authority. The AIC advised the Agent that although he was no longer an active Agent he was still required to respond to the CE audit. The AIC provided an extension to the Agent through email correspondence setting out a response deadline of December 14, 2017. The Agent did not respond.

Discussion

As we have noted previously, the AIC operates under a delegation from the Minister of Treasury Board and Finance that authorizes the AIC to investigate complaints against holders and former holders of insurance agent certificates of authority. Pursuant to the Minister of Finance Directive No. 05/01, the Minister also delegated his powers under s. 481 to the AIC. Section 481 states that "[t]he Minister may direct the holder or former holder of a certificate of authority to provide to the Minister within a reasonable period of time specified in the direction any information specified by the Minister relating to the matters in s. 480(1)." Subsection 2 states that the "... A person served with a direction ... who has the information must provide the information in accordance with the direction."

The offence of failing to respond to a demand for information is one of strict liability. This means that in order to be found guilty, the AIC only needs to prove that the Demand was properly made and delivered. There is no requirement that the AIC prove that the Agent's failure to respond was intentional. Once the AIC proves that the Demand was made, the onus shifts to the Agent to demonstrate that he took all reasonable efforts to avoid committing the offence. From the evidence in the Report, we are satisfied that the AIC's Demand meets the requirements of s. 481 of the Act. The investigation arose out of matters found in s. 480 of the Act and he was given a reasonable opportunity to respond. Given the fact that the Agent failed to respond to the Report, he has not met the burden of establishing the due diligence defence and we find him guilty as alleged in the Report.

In terms of the applicable sanction, the public relies on the AIC to investigate complaints and the Act requires that holders and even former holders, such as the Agent, provide information when called upon to do so. Therefore, the public is not well-served when agents fail to comply with demands like those made in this case. Pursuant to s. 13(1)(b) of the *Certificate Expiry, Penalties and Fees Regulation*, A.R. 125/2001, the Council has the discretion to assess a civil penalty in an amount up to \$1,000.00. This Council has reviewed an inordinate number of cases relating to the failure of licensees to respond to demands for information. In this case, the Agent has not responded in any meaningful way and we believe that a significant civil penalty must be assessed to send a strong message to not only the Agent but to all licensees. Therefore, we order that a civil penalty of \$750.00 be levied against the Agent. The civil penalty must be paid within thirty (30) days of the mailing of this Decision.

In the event that the civil penalty is not paid within thirty (30) days, interest will begin to accrue at the applicable prescribed rate. Pursuant to s. 482 of the Act (copy enclosed), the Agent has thirty (30) days in which to appeal this decision by filing a notice of appeal with the Office of the Superintendent of Insurance.

This Decision was made by way of a motion made and carried at a properly conducted meeting of the Life Insurance Council. The motion was duly recorded in the minutes of that meeting.
