

ALBERTA INSURANCE COUNCIL
(the "AIC")

In the Matter of the *Insurance Act*, R.S.A. 2000 Chapter I-3
(the "Act")

And

In the Matter of Reynaldo Glombowski
(the "Agent")

DECISION
OF
The Life Insurance Council
(the "Council")

This case involved an alleged violation of s. 481(2) of the Act. Specifically, that the Agent failed or refused to provide information requested by the Minister, through the AIC, by way of a formal demand for information (the "Demand"). In so doing, it is alleged that the Agent subsequently violated s. 480(1)(b) of the Act.

Facts and Evidence

This matter proceeded by way of a written Report to Council dated September 28, 2021 (the "Report"). The Report was forwarded to the Agent for review, and to allow the Agent to provide the Council with any further evidence or submissions by way of Addendum.

The AIC conducted an audit in August 2021, which sought to verify that the CE credits claimed on licensees' licensing applications for the 2020/2021 certificate term were correct. The auditees were selected at random and asked to provide proof of continuing education ("CE") credits, in accordance with the requirements of s. 31 of the *Insurance Agents and Adjusters Regulation*, AR 122/01 (the "Regulation"). The Agent was selected as an auditee and, in this instance, was asked to provide records relating to the 2020/2021 certificate term.

The Agent concurrently held both life and accident and sickness ("A&S") insurance agent certificates of authority during the period of March 20, 2018, to September 1, 2021, when the Agent's certificates of authority were terminated.

Section 31 of the Regulation provides:

(3) If the individual does not provide the records **within 30 days after receiving a request from the Minister, the certificate of authority is suspended until the demand is complied with.**

On August 23, 2021, the AIC emailed the Demand to the Agent which provided a deadline of 30 days to respond and produce the required CE certificates. The deadline provided was September 21, 2021. On September 7, 2021, an email was sent by the AIC reminding the Agent to respond to the Demand by the deadline provided.

On September 8, 2021, the Agent responded to the AIC Compliance Department with the following information:

My apologies for the delayed reply.

I have just rescinded my agent status with [Former Agency] [redacted] as at aug [sic] 30th, 2021. I believe my license to practice would also no longer be effective as I do not have insurance anymore and don't have a sponsoring company anymore either. Further, my license courses were linked to my [Former Agency] [redacted] account and I am not sure I can get copies of the course certificates from the continuing education provider. Knowing these factors, would you still need me to provide you the requested documents for the audit? [...]

On September 9, 2021, the AIC Compliance Department responded to the Agent's email explaining that as a previous license holder, the Agent is still required to satisfy the audit requirements and may wish to contact the course provider.

On September 13, September 14 and September 17, 2021, the AIC sent the Agent emails reminding the Agent to respond by the deadline provided in the initial Demand.

On September 20, 2021, the Agent responded to the AIC with the following information:

[...] I cannot access the account with [Course Provider] [redacted] because the email address that was used in the registration has now been closed. Therefore, I will not be able to provide you with the proof you seek. Please let me know how to proceed. I can close the Alberta Insurance Council Registration if that will resolve this issue as I no longer have a sponsoring agency nor insurance anymore for this license. [...]

On September 20, 2021, the AIC sent a final reminder email, reminding the Agent to respond by the deadline provided for in the initial Demand.

On September 21, 2021, the AIC Compliance Department responded to the Agent indicating the CE certificates are required and he may obtain copies by contacting the course provider.

By the date the Report was sent to the Agent, being September 28, 2021, the AIC still had not received the CE certificates from the Agent.

After receiving the Report, which detailed the above, the Agent provided the following response by way of email dated September 29, 2021, which also included the CE certificates requested in the Demand:

As I explained, I terminated my license and lost all emails and access to the certificates of the license that were with the provider [Course Provider] [redacted].

Yesterday evening, I finally managed to get [Course Provider] [redacted] to reconfigure my account to my personal email address as opposed to my deleted [Former Agency] [redacted] email account and was able to download all the files this morning.

Here are all the course PDF certificates for everything that I have submitted to the AIC from [Course Provider] [redacted] all the way to 2018 so I hope that these are the certificates you need.

Once again my apologies for these and please feel free to reach out to me if I can provide anything else.

Discussion

The Minister of Treasury Board and Finance has delegated its authority to the AIC to investigate complaints against holders, and former holders, of certificates of authority. Pursuant to Ministerial Directive 01/11 to the AIC “[t]he Minister may direct the holder or former holder of a certificate of authority to provide to the Minister within a reasonable period of time specified in the direction any information specified by the Minister relating to the matters in s. 480(1).” Subsection 2 states that “... A person served with a direction ... who has the information **must** provide the information in accordance with the direction” [Emphasis added].

The Demand referenced compliance with s. 31 of the Regulation. Specifically, this section provides;

Records

31(1) An individual who holds a certificate of authority must keep a record issued by a continuing education provider respecting the continuing education courses completed by the individual during that certificate term.

(2) The records must be kept for a period of 3 years following the expiry of the certificate term and **must be provided to the Minister upon request.**

(3) If the individual **does not provide the records within 30 days after receiving a request from the Minister, the certificate of authority is suspended until the demand is complied with.**

The Demand itself is formed under s. 481(2) of the Act.

Section 481 of the Act provides, in part;

Demand for information

481(1) The Minister may direct the holder or former holder of a certificate of authority to provide to the Minister within a reasonable period of time specified in the direction **any information specified by the Minister relating to the matters in section 480(1).**

(2) A person served with a direction under subsection (1) who has the information must provide the information in accordance with the direction.

Section 480 of the Act provides:

Sanctions affecting certificates

480(1) If the Minister is satisfied that the holder or a former holder of a certificate of authority [...]

(b) **has contravened any provision of this Act or the regulations** or similar legislation in another jurisdiction or legislation that is a predecessor of this Act or the regulations, [...]

Section 780 of the Act stipulates:

Offences

780 A person who contravenes any of the following provisions is guilty of an offence:
[...] (c) in Part 3, sections [...] 481(2)

In this regard, the act of failing to provide the CE certificates (or “credits”) in accordance with s. 31(3) of the Regulation, and the potential violation of s. 481(2) of the Act regarding the Demand prompted the AIC to commence an investigation.

Regulatory offences such as these are strict liability offences. As such, the AIC has the onus to prove that the Demand was properly made upon the Agent, proper in the sense that they meet all the requirements under the Act, and that the Agent did not comply. Once this occurs, the responsibility then shifts to the Agent to establish that due diligence was exercised in meeting the statutory requirement to respond. To substantiate this due diligence defence, the Agent must prove that all reasonable means were taken to avoid making the offence. There is nothing that requires the AIC to prove that the Agent’s failure to respond was intentional.

In consideration of the evidence before it, and the appropriateness of the request to confirm CE records under the Regulation, the Council is satisfied that the Demand met the requirements of s. 481 of the Act. The Council agreed that the Agent was given a reasonable opportunity to respond to the Demand. Given the fact that the Agent failed to respond when called upon, the Agent has not met the burden of proof to establish the due diligence defence. As such, the Council finds the Agent guilty of violating s. 481(2) of the Act, and also finds that the Agent has subsequently violated s. 480(1)(b) of the Act.

In terms of the applicable sanction, the Act requires that all holders, and former holders, of certificates of authority produce information when called upon. The public is not well-served when agents fail to comply with demands, like the Demand made in this case. Pursuant to s. 13(1)(b) of the *Certificate Expiry, Penalties and Fees Regulation*, A.R. 125/2001, the Council has the discretion to levy a civil penalty in an amount up to \$1,000.00. In this case, the Agent did not satisfy the audit by the deadline provided. In consideration of all of the evidence, the Council orders that a penalty in the amount of \$500.00 be levied against the Agent.

The civil penalty of \$500.00 must be paid within thirty (30) days of the mailing of this Decision. In the event the civil penalty is not paid within thirty (30) days interest will begin to accrue at the prescribed rate. If the Agent has active certificates of authority at the time that the civil penalty becomes due, and that civil penalty has not been duly satisfied, the Agent's active certificates of authority will be suspended in accordance with s. 480(4) of the Act. Pursuant to s. 482 of the Act (excerpt enclosed), the Agent has thirty (30) days in which to appeal this decision by filing a Notice of Appeal with the Office of the Superintendent of Insurance.

This Decision was made by way of a motion made and carried at a properly conducted meeting of the Life Insurance Council. The motion was duly recorded in the minutes of that meeting.
